## STATEMENT OF FACTS

This statement of facts is based on the reports, documents, and notes furnished to U.S. Immigration and Customs Enforcement Special Agent Mario Vazquez.

On February 9, 2008, at approximately 1635 hours, Javier AGUILAR entered the United States at the Calexico, California, East Port of Entry. AGUILAR was the driver of a 2001 Toyota Tundra Pick-up, bearing California license plate 7J20748.

The primary inspector, Customs and Border Protection Officer (CBPO) Castillo received a negative Customs declaration from AGUILAR. AGUILAR also identified himself as a United States citizen presenting his U.S. passport and stated he lived in Chino, CA. CBPO Castillo inquired as to the ownership of the vehicle. AGUILAR stated the vehicle belonged to his aunt, and that he had borrowed it 15 days ago. AGUILAR and the vehicle were referred to secondary inspection for closer examination.

In the vehicle secondary lot, a canine inspection of the vehicle was performed. The canine alerted and responded to the engine compartment of the vehicle AGUILAR was driving.

A subsequent inspection of the vehicle revealed 7 packages concealed in a specially built compartment within the intake manifold on the engine of the vehicle. CBPO Ramos probed one of the packages which revealed a white powdery substance that field-tested positive for methamphetamine. The 7 packages had a combine net weight of approximately 3.46 kilograms (7.612 pounds.
